

Acquisition Opportunity

Topical liquids, creams & injectable fill/finish manufacturing & packaging site

SOLD

The Opportunity

Teligent has made the strategic decision to divest its topical liquids and creams manufacturing and packaging site located in Buena, NJ. The facility also houses a brand new, never used injectable fill / finish line and space to install a second line. In addition to the manufacturing and packaging capabilities, the facility also contains fully equipped R&D laboratories and new Quality Control laboratories plus a GMP warehouse and office space.

- 1 Topical dosage forms including solutions, creams, lotions, ointments, gels and suspensions.
- 2 Three new compounding rooms and equipment.
- 3 Dedicated XP rated solvent suite.
- 4 Batch sizes from 30kg to 2,400kg.
- 5 Three fully serialized filling and packaging lines for tubes, bottles and jars.

Injectable Fill / Finish Highlights:

- 1 Recent \$90M capital investment.
- 2 Brand new Bausch VarioSys® fill line with a capacity of up to 8 million vials or ampoules annually.
- 3 Space and utilities in place to install a second, higher-speed line with 40-50 million unit capacity.
- 4 Sterile suite and equipment have been qualified but are in an idle state, ready to be restarted.

Interested parties should contact PharmaBioSource Realty, LLC, the exclusive listing agent for this opportunity, for more information regarding an acquisition of this US-based pharmaceutical manufacturing facility.
